INTERLOCK

1 - 2 HOURS

INDOOR - OUTDOOR

5 - UNLIMITED

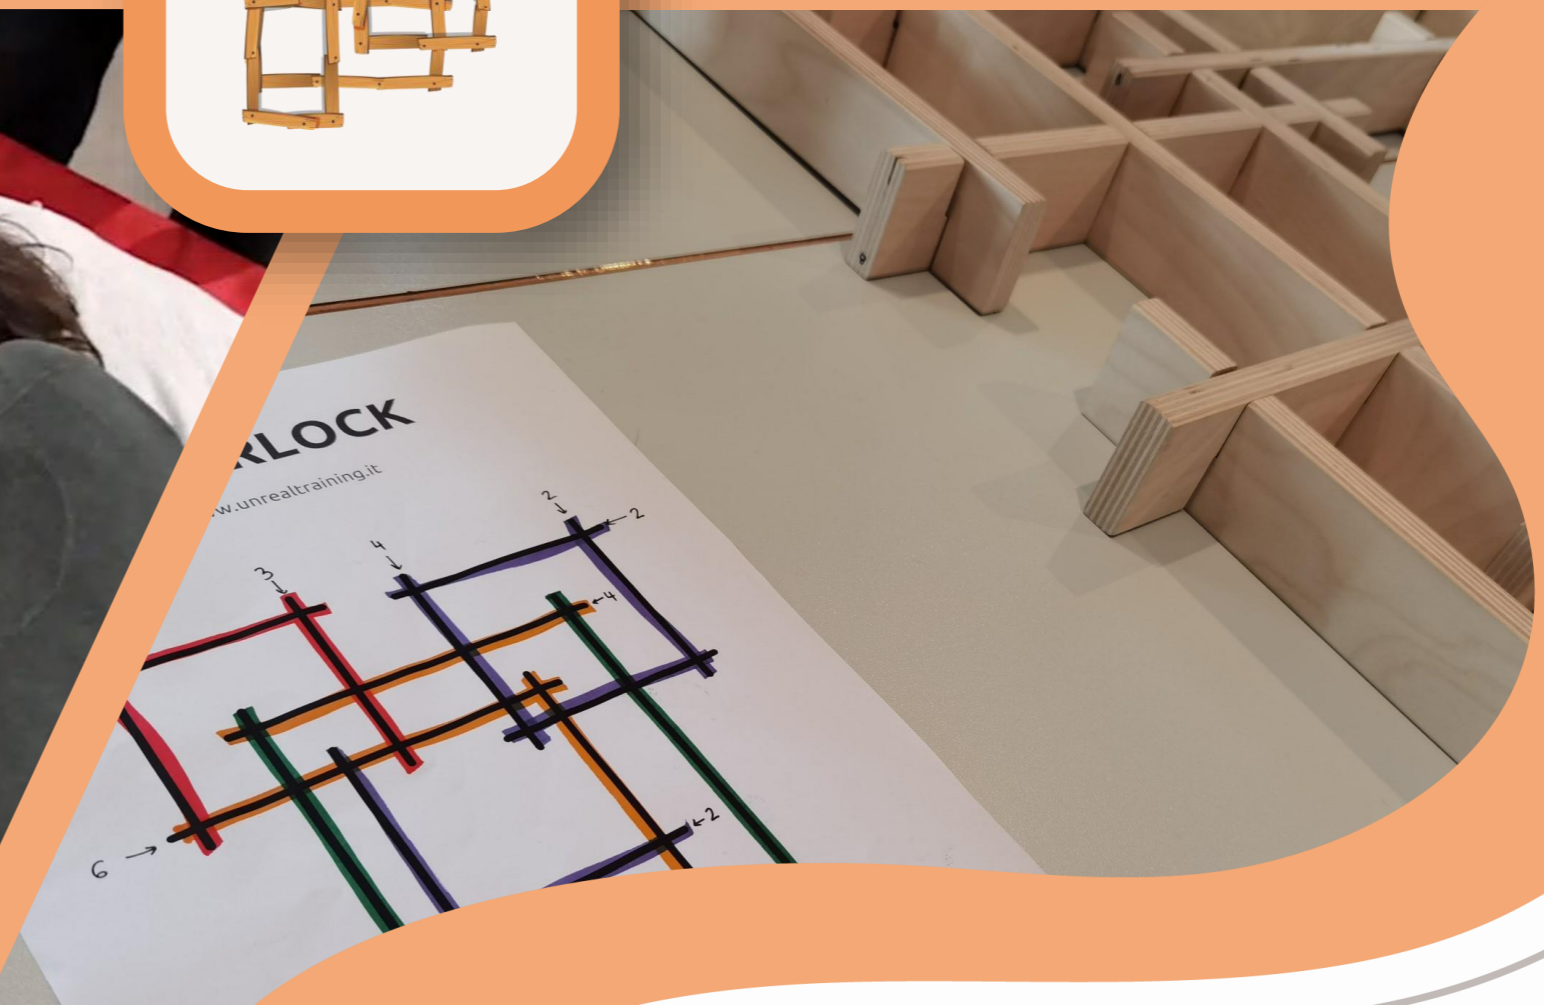

COMPETITIVE - COLLABORATIVE

A challenge on the edge of seconds, which brings together **everyone's skills and ideas**. Prepare to fit wooden planks together according to an established pattern, following the directions of a supporting image. Ten to twenty minutes and you're done. Too easy? Not by chance: because **the challenge has just begun**. Now the goal is to repeat the construction, without the use of images, and above all in less than a minute. You will have to try over and over again, find the perfect schedule, distribute the roles so that everyone comes into play at the exact moment they are needed. A **hymn to continuous improvement**, where you will be amazed at what you and your team can achieve.

INTERLOCK

LEARNING OUTCOMES

A truly dynamic experience, which works on continuous improvement and the desire to reach ever higher goals, stimulated by the results obtained from time to time. A new situation, which must be faced with a new, fresh mindset, open to different perspectives. When we settle on "acceptable" results in order to avoid change, we miss the great opportunities that life offers. This exercise shows participants what happens when they decide to go further, consciously choosing to leave the comfort zone and take paths different from the usual ones.

- CONTINUOUS IMPROVEMENT
